# INTRODUCING UTC.TRAVEL

We're the UK's leading travel subscription club, founded by a team of travel professionals to make travel more affordable for everyone.

You and your employees can get access to trade prices meaning they can enjoy unbeatable savings; save up to 40% at over 1.5 million hotels, book flights + hotels, car hire, attractions and more.

In addition to our innovative booking platform we provide all of our members with a personal travel booking service, with travel advisors available to support throughout the lifetime of their membership.

A membership is a brilliant retention tool, saves you and your colleagues money and helps improve mental health and wellbeing; you can even reward and incentivise your team with travel credits.

# ITINERARY LED BOOKING EXPERIENCE

Our members can book everything, to everywhere all on one booking.

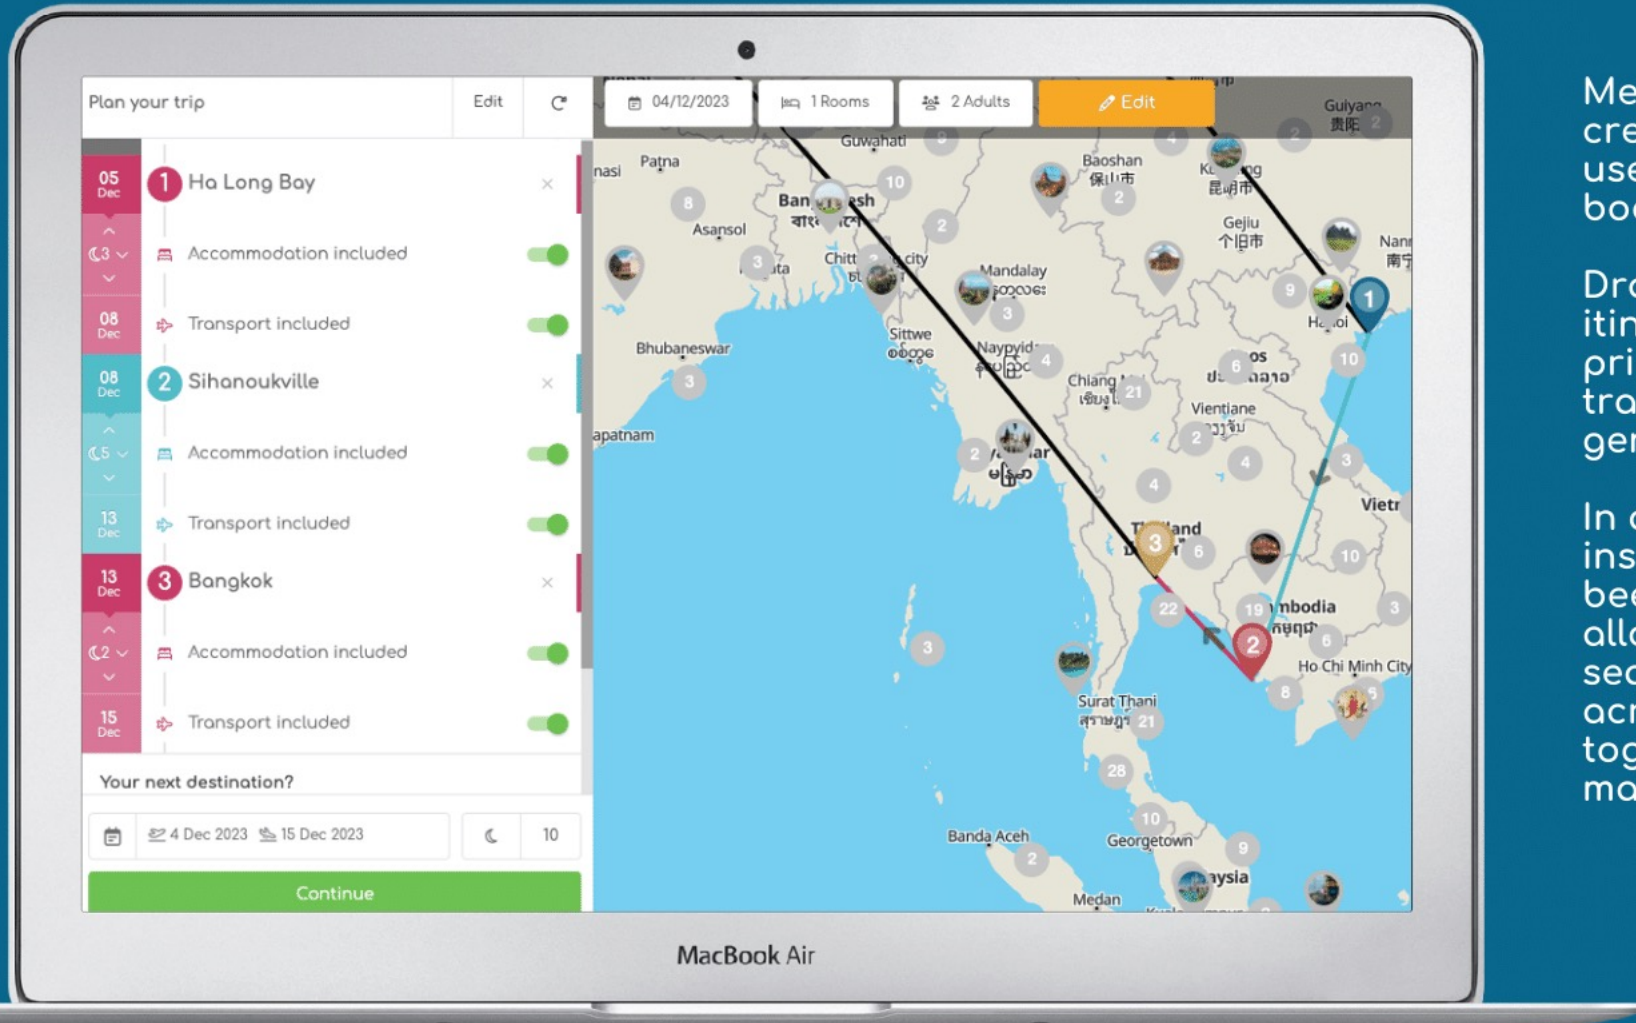

The booking flow automatically creates an itinerary and members can add additional travel components in date and time order to each trip - from experiences, tickets, flights, trains, buses, car hire and transfers.

Futhermore - our members can continue to add to their booking continuously until they finish their trip and return home.

# COMPLEX MULTI CENTRE TRIPS WITH EASE

Members looking to go off the beaten track or create their own multi-centre trip can make use of the first-of-its-kind trip planning and booking tool.

Drag and drop upto 24 destinations into an itinerary and our booking platform will search pricing and availability for accommodation, transport and activities concurrently and generate a quote in seconds.

In addition - for those looking for ideas and inspiration our AI TRIP planning tool has just been released. This powerful new feature allows members to use a free format text search such as "Create me a 10 night trip across route 66" and the platform will pull together 3 suggested itineraries and a link to make the booking online.
