

# Life with Yurtle

1 Tina, mother of two, becomes a caregiver after finding out her Mother has dementia.

2 Tina struggles to balance work, childcare, and her new caregiving responsibilities.

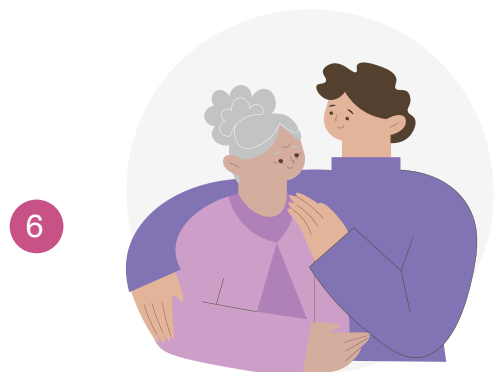

3 Once onboarded by her employer, Tina starts using Yurtle to solicit help from family and professionals around all of her caring responsibilities.

4 Care and work are in balance but Tina unexpectedly suffers a leg injury in an accident.

5 While recovering in hospital, Tina accesses and pays for replacement care through Yurtle and it's insurance cover. She uses the platform to quickly handpick a vetted, professional carer.

6 Through Yurtle's intuitive platform, Tina and her Mother are given constant peace of mind and are able to get back to life as normal in no time!
