## What is bYond?

bYond Card is the employee benefit that makes your money go further. This prepaid shopping card gives you up to 15% cashback\* when you spend at partnered retailers.

## How does it work?

1. Funds are loaded to your card - you can then pay with bYond at partner retailers and earn a % of your spend back as cashback.\*
2. This is paid automatically into your bYond account - know as the Vault - 30 days later.
3. Save your cashback\* for a big purchase or move across to your bYond Card balance ready to spend.

## Where can I shop?

You can shop in more than 85 big-name UK retailers. **This includes supermarkets, department stores, fashion retailers, restaurants and more.** The full list of retailers and cashback\* available can be accessed anytime with your bYond app or online account.

## How do I top up?

Load money onto your bYond Card instantly via your online account or the bYond app. Simply log in, choose an amount, and top up using your debit card. Your new bYond balance will be ready to spend immediately. Your employer may also offer the option to top up your card from salary.
