

Flexible Wages at no cost to the company

-  Earned Wage Access allows your people to access a portion of their wages in advance which improves **financial wellbeing** during cost-of-living crisis.
-  Employees pay a fixed transparent fee of **£1.75** per transaction. No cost to the company.
-  In most cases it takes **30 mins** of your time to set up. We guarantee it won't take you more than 2 hours.
-  Our unique solution works for **companies of all sizes**. Seamless partnerships with Sage, Xero and most workforce management systems.
